**Subject:** Lab Safety Coordinator Meeting LOCATION CHANGE Campus Center room 905-09 Tomorrow

Dear Lab Safety Coordinators,

Just a reminder that we will have our first Lab Safety Coordinator meeting of the semester tomorrow **at 9:30am. The location of the meeting has been moved to the Campus Center room 905-09 due to generator testing tomorrow morning in Draper Hall that may impact the power in the building.** Air Gas, the company that is the main supplier for our compressed gases to the University, will present a talk titled "Compressed gases safety and handling".

See you tomorrow.

Sincerely,  
Maureen
